## CLE ON THE ISLAND

# WELCOME

Dear TIPS Friends:

I am looking forward to welcoming you all to beautiful Amelia Island, Florida. We will be staying, meeting and playing at the beautiful Ritz-Carlton for our Annual Spring CLE and Leadership Forum! At the Ritz, you will experience a place where magnificent live oaks and Southern charm meet Florida's warm ocean waves and white sandy beaches! The hotel is located on 1.5 miles of dune-lined beachfront property. There are 18 holes of PGA championship golf right out the front door. Bring your family. The hotel has four restaurants, four cocktail lounges, a Spa, a full-service beauty salon, a fitness center, indoor and outdoor heated pools with whirlpool, on-site tennis facilities, a Ritz Kids club, a teen room and lots of meeting space (oh yes, that is why we are supposed to be there!).

This meeting has been carefully planned as a kick-off for what we expect to be TIPS ANNUAL SPRING CLE meeting. We are offering over 25 hours of CLE, the first of what I hope will be an annual Leadership in Action Luncheon, leadership training, business meetings and of course, fun. TIPS is hosting its first Corporate Counsel Litigation Management Program and providing numerous additional CLE programs to give our members—and potential members—an opportunity to meet all of their CLE requirements, network, and hear from the Bench. So far we have five judges confirmed to speak to us on Friday. We have invited a special guest speaker for the Leadership in Action Luncheon where we will be presenting several special awards.

In addition to the Leadership in Action Luncheon on Friday, there are many other networking opportunities. Thursday at lunch, TIPS will host a Washington update as part of the Corporate Counsel Litigation Management Program. Thursday night we will have our opening reception. Friday evening, plan to dine with your TIPS friends at one of the many excellent restaurants at the hotel, or venture out on the Island. Saturday morning, experience the early-morning beauty of the island by signing up for the TIPS Annual Spring Fun Run/Walk, honoring Denise St. Fort and which will now be known as Denise's Dash. Not to be left out, your children can participate on Saturday morning as a juror when The Emperor sues his tailors over his new set of clothes. Sign up to play golf on Saturday afternoon, or join your friends at the beach or in the Spa! On Saturday night you are in for a treat. With the call of the waves, the oaks, and the smell of magnolias, I could not help but think that an event that offered you "Good" fun, but some slightly "Evil" undertakings in a beachside "Garden" prior to "Midnight" might be the way to go. Cards or dice anyone?

So, yes our schedule is packed, but those who work hard should play hard too! Please review the CLE and social offerings carefully, as I know you will agree that the price for the TIPS Total Package Pass is so reasonable that it is the way to go. I am really excited about this meeting and I want you to know that Sue Farina and her team, and Mike Beaver and his team have worked hard to help me make my vision of this meeting a reality. So let me just say that a visit to this Island would not be complete without this forewarning ... Come prepared mates!!!

Until Amelia, Cheerio!!

# WELCOME

## Dear Friends:

There is no better place to glory in the springtime sun than Amelia Island, Florida, the site of our ABA TIPS Annual Spring CLE and Leadership Forum. The Ritz-Carlton will be our base for great CLE programming, social and networking events, and every kind of beachside activity. We'll kick off the meeting Thursday with a full day of CLE and an evening reception. On Saturday night, we'll head for the Ritz's oceanfront lawn for a dressy-casual party reminiscent of "Midnight in the Garden of Good and Evil," featuring great food, dancing, and a few surprises.

Amelia Island features six golf courses, so naturally there will be a golf event on Saturday. A "fun run" and walk will also take place that day. Other opportunities for rest and recreation are endless. The Ritz offers long, luxurious beaches, beautiful pools, tennis courts, and a superb spa. Water sports and activities include fishing, kayaking, boating, and anything else you can think of to do with miles of beaches. The area is famous for great wildlife viewing and scenic walking. A few miles away is the charming old Victorian seaport of Fernandina Beach, which offers great shopping, dining, and a bit of history (the town has flown eight national flags over hundreds of years).

Springtime weather should be gorgeous, with average highs in the 70s and 80s. Wildflowers will be in bloom. Be prepared for the possibility of afternoon showers. Be prepared as well to enjoy the beautiful beachside spring sun.

Great CLE at a beach setting in the spring—you can't spend a better week anywhere. We'll see you at the beach!

Very truly yours,

**Michael S. Beaver**

## Dear Friends:

The Ritz-Carlton, Amelia Island – what a fantastic venue for CLE programs! And, what a great slate of TIPS CLE programs we have. With more than 25 hours of CLE programming available, you will be able to hear one of the longest sitting federal judges from the 11th Circuit speak about jury instructions, delve into the details of a Chinese drywall case, attend a title insurance litigation update, or explore the maritime and environmental impact of the Deepwater Horizon oil spill. If you are an in-house attorney, you may be interested in the Corporate Counsel Litigation Management programming, which is a CLE track designed specifically for corporate counsel and the added issues they face. You will also have an opportunity to obtain ethics credit by attending a program that will explore

the ethical challenges of electronic communications or a program that will address the ethical challenges presented when an animal is involved in a legal matter such as a divorce settlement. For a refresher or to learn more, attend one of the many technology tools programs. If you come with children, be sure to have them attend the mock trial on Saturday morning where they will have an opportunity to serve as a juror in the case of *Emperor v. Swin and Del*. Whichever programs you attend, do not miss the judicial panel program where you will have the opportunity to learn from District Court and 11th Circuit Court federal judges. Make your plans now, and we'll see you in May for CLE on the Island!

Sincerely,

**Susan H. Farina**

Attorneys use different technology tools in their daily practices. Part one of this two-part mini-series will increase attorneys' skills with tools they are currently using. The speakers will present the technology tools from the practitioner's perspective and will demonstrate how to incorporate other technology tools into daily practice. From basic skills to more advanced skills, the mini-series has something to offer attorneys of all skill levels.

*1:30 PM – 2:30 PM* **MANAGING COMMUNICATION OVERLOAD**

In the past several years, email and other electronic communications technologies have made an unparalleled level of communication with clients and colleagues possible. Unfortunately, these technologies bring with them an ever-mounting volume of data, along with increased expectations for immediate responses. This program is designed to provide a series of tips to help you better manage the flow of communications, manage mounting email box sizes, increase productivity, and strengthen time management. The panelists will provide a broad range of tips that are useful not only to practitioners who only occasionally use their computers, but also to the technology-savvy attorneys who are wired-in all day, every day. While the program will include some discussion of the features of the Microsoft Outlook email program and other popular communications platforms, the suggested strategies will be adaptable to any software platform. 3:45 PM – 4:45 PM **MASTERING THE PDF**

Attorneys now deal with electronic documents in Portable Document Format (PDF) almost as often as they handle paper. Pleadings and briefs often arrive in the form of PDFs and must be filed in that format. Discovery documents may be reviewed and produced in PDF. Many email attachments, including letters, arrive as PDFs, and desk-top fax systems may deliver incoming faxes as PDFs. Most attorneys, however, are not familiar with the important capabilities of the PDF format or the many tools available to store, search, modify, and review PDF documents. This program will provide practical, hands-on tips about how to deal with the growing stream of PDFs facing modern attorneys, and how to use the powerful capabilities of the PDF format and the available software tools to harness that stream and turn it to your advantage.

**WINNING STRATEGIES FOR JURY INSTRUCTIONS**

Too often, advocates wait until the heat of battle to address what they want (or need) in the instructions and questions that will be presented to the jury. While many of us have heard the old bromide that you should draft instructions at the beginning of a lawsuit, few lawyers actually follow this advice. This program will address the proper approach to jury instructions in the “real world.” The program will feature an interactive discussion of best practices in navigating jury instructions by three esteemed panelists, including the Honorable James C. Hill, Senior U.S. Circuit Judge for United States Court of Appeals, Eleventh Circuit. The panelists will address preserving and presenting your client’s objections to proposed instructions and questions in a way that best preserves your client’s appellate rights. They will also address how to persuade the trial judge to select the language that best meets the evidence and your client’s goals.

### **EMPEROR V. SWIN AND DEL – A MOCK TRIAL FOR CHILDREN (AND ADULTS!)**

Provide your child with an opportunity to serve as a juror in this fun, educational program! Join TIPS for this must-see special mock trial performance featuring the Amelia Community Theatre Company (ACT), presented by real actors in costume. This mock trial will present the story of the Emperor’s New Clothes as a trial based on a claim of fraud and misrepresentation brought by the Emperor against his tailors. It will introduce children to the principles of the rule of law, and will allow them to serve as the jury, giving them the opportunity to test their internal values of fairness and morality in a fun and challenging setting. ACT has been “putting the community on stage” for thirty years, with strong community and volunteer support. Come and see this great story adaptation and give your child a chance to participate!
